

2B News

Dates to Remember

- * Conferences are November 24th-27th. No school for students. Students are required to attend the conference.

Reminders/Notes

- * Please make sure your child brings a snack each day to school.

What's Happening in Second Grade!

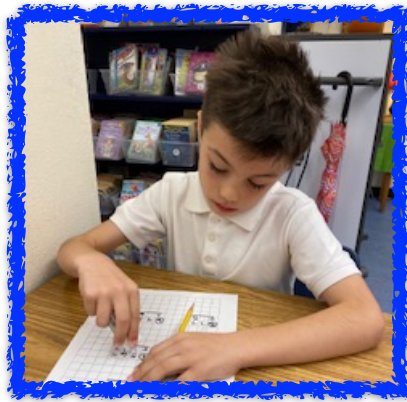

Reading – This week both groups will wrap up our lesson from last week. On Wednesday, my reading group will read a Curious George story and complete some activities while applying the target skills of character and story structure.

Writing - As a continuation of last week's story Jellies, the students will write about what they have learned about Jellyfish.

Math – Using base ten blocks students will add two-digit numbers and rewrite horizontal addition problems vertically to add.

Our 'Star' Cameron

Alex working on 2-digit addition.

Science - As we move through our study of matter, students will compare the varying properties of solids.

Religion – We will continue reading chapter one and then prepare for a test by the end of the week.

Second Step - Students will learn that we can understand how other people how feeling by clues in their faces, bodies and the situation they are in.

Homework –

Monday - Spelling: Use the words in sentences

Tuesday - Scholastic News: Wampanoag Life Long Ago with activity sheet

Wednesday - Math: Two-digit addition

Thursday - Read for 20 minutes to an adult

Have a wonderful week,

Brenda Yi
