## What's Happening in Second Grade

Congratulations to Leander, Phoebe, Ciaran, Cole, Noriko and Joaquin who all received their 1st Communion over the break.

Reading - This week, we will review the target skill drawing conclusions. We will discuss how to use details from the story to figure out more about the text. Our anchor story is titled, 'The Goat in the Rug.' 🐐 This is a narrative nonfiction selection about the steps of creating a rug using goat hair and a loom. The second story we will read is titled, 'Basket Weaving.' 🧺

Language Arts - Students will create the craft part of their Superhero writing assignment. We will also spend time this week focusing on the suffixes -y, -ly, and -ful. Students will learn these suffixes have meaning and when added to the end of a base word they change the meaning of the word.

Spelling Words - helpful, useful, hopeful, painful, happily, kindly, slowly, rusty, sandy, sticky  
 Challenge Words - Easter, resurrection ✝

Math - We begin My Math Chapter 7, 'Three Digit Subtraction With and Without Regrouping.'

Science - We will start our Animal Research Project. The second grade scientists will research a self-selected animal using the San Diego Zoo Kids website. Students will learn about their animals' offspring, what they eat and their habitat. If time allows, students will begin engineering their animals' habitat, creating a shoe box diorama.

Homework

Monday - Practice your Spelling words for the test on Friday

Tuesday - 'My Homework' math sheet (front and back)

Wednesday - Worksheet for -ly and -ful suffixes
